

**NOTICE OF EMERGENCY CHANGES
TO THE 2010 UTAH FISHING PROCLAMATION
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, James Karpowitz, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2010 Utah Fishing Proclamation. The following has been amended:

MILL MEADOW RESERVOIR (Sevier County):

- INCREASE the daily bag and possession limit for trout from four (4) fish to eight (8) fish.

This change is effective September 2, 2010 and will remain in effect until January 1, 2011.

Mill Meadow Reservoir will be drained this fall to complete repairs on the outlet. Limits are being temporarily liberalized allowing anglers to harvest trout that would otherwise be lost as a result of the draining. The reservoir will be restocked with fish in 2011.

All other rules established in the 2010 Utah Fishing Proclamation remain in effect, except for other emergency changes made since January 1, 2010.
